

Alpaca Research Foundation (ARF) Project Report Form

1. Is this a progress or final report?
2. List any publications which are in press and attach a pre-print.
3. List any presentations made.
4. Describe briefly the original objectives of your research project and the progress made in reaching those goals.
5. Provide a lay abstract which can be used by ARF for the purposes of promoting alpaca research.
6. Provide a brief accounting of funds received and expended in the categories of personnel, supplies, animal purchase, and care.
7. If this is a progress report, has support for this project been obtained from other sources? If yes, please provide details of total amount received and project period. Describe any budgetary or scientific overlap with the current project.
